Cate Bryan, who is running for Dallas County Auditor, came and introduced herself to the council. She spoke about her background and reasons she is running for auditor. One issue she wants to improve is the efficiency of the election night results for Dallas County. The mayor brought up the issue of residents having to drive to Washington Township School to vote, instead of using the Lion's building here in town.

The fire chief report was given by Larry Idle. There were two fire calls; one was north of town and the other was a vehicle fire.

The maintenance report was given by Roy Root. Garbage and limb clean up was done, and the blade was taken off the truck. Everything has been mowed once. Root met with the electrician and the tower guys.

Bill Smith spoke to the council about the condition of the old post office. The north side of the wall is leaning out and bricks are falling. Council tabled this until they can discuss the issue further.

Doug Epley needs to be replaced on the zoning committee. Roy Root needs to be replaced on the variance committee.

The meeting was adjourned at 8:04 PM.
